

To Whom It May Concern:

I am sending this as a character reference for Christopher Warrington whom I have known for over twenty years.

Christopher, his mother, grandparents and other relatives were faithful members at the Lincoln Heights Christian Church in Phoenix where I was pastor for fifteen years. I have been retired for eight years but have stayed in contact with Christopher as we are now both members at Scottsdale Bible Church. When Christopher was a student at Emmanuel Bible College in Tennessee I stayed in touch with him through his grandparents who lived in Phoenix.

I have watched Christopher grow into a mature Christian who is eager to serve His Lord in every way possible. He has volunteered for and successfully completed many church sponsored and non-profit service projects. He is a gifted Christian who has received an excellent education most recently graduating from Phoenix Seminary. He has gained much practical knowledge from the various jobs he has held while working his way through school.

Christopher has a sterling character and will be a dedicated worker in any field of endeavor the Lord leads him to.

Sincerely,

Clifton Ditmore
Retired Pastor
